

“Taste of the Valley”

Auction Donor Form

The Geneva School will be hosting the fifth annual “Taste of the Valley” on Thursday, April 29, 2010, from 5:30 to 8:00 PM at Fiorelli’s, Main Ave. in Peckville. The evening will be a sampling showcase for local eateries to bring out their best and reach potential buyers of their product. The food tasting will also be accompanied by live and silent auctions of various gift baskets assembled through the generosity of local merchants like you and school families.

Knowing that you are community-minded, we are asking for your help by making a **tax-deductible gift** of goods, services, gift certificates or financial support toward this event. In return, your business will be listed among the event’s sponsors in that evening’s program.

Thank you for your anticipated generosity and support as we work together for academic excellence in Northeastern Pennsylvania.

For tickets (\$15 each) or information, please feel free to contact
